THE WASHINGTON BEE.

The Bee
—IS A—
GREAT ADVERTISING MEDIUM.
TRY IT!
Do you want reliable news? Do you want a fearless race advocate? Do you want colored trade? Read and advertise in THE BEE!

VOL. XVI. WASHINGTON, D. C., SATURDAY, JANUARY 15, 1898. No. 33

SENATOR-ELECT MARCUS A. HANNA, OF OHIO.

COPYRIGHT 95

THEY SAY.

Bailiff Darr did not celebrate Judge Kimballs' appointment on the 10th.

Be sure you are right and then go ahead.

There will be at least two colored bailiffs appointed.

O'Donnell may yet win.

There is many a slip between the cup and the lip.

Let us have peace if we can.

Bolting republicans are numerous.

Some men are too good to live.

This is what we call sham goodness.

It is the good man who does good deeds

The country is not at peace.

The District Commissioners may find comfort in turning down the Negro.

That not one District colored republican has been appointed as yet.

Every dog has his day.

Don't be alarmed, white be black after the Ohio campaign.

The man who is dishonest will sure to fail.

Booker T. Washington is an apologist.

The colored race will find him out yet.

He is an enemy to the Negro.

The new marshall will, make a few places for republicans.

Be good citizens and you are bound to win.

The man who is conceited enough to declare that he has the power to do all things can not be trusted.

Be true to your friends.

It is dangerous to lie to those who are true to you.

Be what you seem to be and nothing more.

A positive man is an honest man.

Don't you be so positive in your calculation.

Wait until after the Ohio election and then you will see something.

Some men will not do until they are compelled.

Don't tell all you know at once.

Some men imagine that you support them for office whether they are competent or not.

O'Donnell is not yet left.

There is a scramble for office.

The BEE is the people's paper.

It is the great man who can win.

Mark Hanna never gets left.

If you want a live paper read the BEE.

Judge Scott is giving entire satisfaction.

Speak kindly of your friends.

Some people think you can never get through paying them.

Why is it that some people can not tell the truth?

The Editor will celebrate his birthday at Thompson.

Mrs. Davis, the newly appointed musical directress is systemati the music.

It is reported that several changes will take place in the musical corp.

Do you know that you will hear sudden news in a few days.

Dancy will be appointed Collector.

All person who haven't paid up their subscription by Feb'y. 1 will receive no more papers.

The colored militia will not turn out April 16th.

It is hoped that the people will not give any more money for the 16th day of April parade.

The people are opposed to parades

Read the BEE if you want the news.

The outlook is that a new colored justice of the peace will be appointed soon.

Some people may think the BEE got left but it didn't.

Dr. Sheppard will resign as comparer of deeds.

Watch the man who is continually grinning in your face.

Caution!—There have recently been issued several cheap reprints of the 1847 edition of Webster's Unabridged Dictionary, an edition long since superannuated. These books are given various names,—"Webster's Unabridged," "The Great Webster's Dictionary," "Webster's Big Dictionary," "Webster's Encyclopedic Dictionary," etc., etc.

Many announcements concerning them are very misleading, as the body of each, from A to Z, is 44 years old, and printed from cheap plates made by photographing the old pages.

There are regular Authorized Collectors in the employ of THE BEE Printing Co.. and when they call to see delinquent subscribers they are requested to pay them, and not give the excuse that "they will see the Editor." OUR SCHOOL SYSTEM.

If there is any department of our school system which is in need of the fine-tooth comb, it is the High School. In the first place this city can boast of having the youngest and at the same time the most fastidious set of teachers the country over. This is a compliment which, while it may not come up to the best idea, has yet a tinge of colored superiority over other systems In times past, teachers in our High School have been selected because they knew something and had some interest in the well being of the children or parents. Now the test of acceptability seems to lay in consideration of fine dress, fine looks and fine parentage. Then too our High School can boast of curriculum which is simply gorgeous. We no longer pay special attention to those branches which are useful in ordinary affairs and upon which most men and women have won their title to usefulness and respect but devote ages, as it were, toward ginger breadism and all that helps to develop vanity and pride and foolishness. Aside from the few straggling notions a pupil gets of mathematics, history, and rhetoric while at school, he might as well not be in school. The redeeming feature, of there is any in the High School is that which may be found in the training which Prof. Brown gives, when he has an opportunity, to his pupils. He is a practical worker, believes that we must know how to do something instead of constantly talking about it. He is of the opinion that we do more when we by experiment, detect useful elements which can be utilized toward making mankind happier and better than when we after the use of any amount of application and resort to "ponies" discover a Greek not. Evidently there is something wrong in the general management of the High School. We do not, nor could we justly blame any particular teacher or set of teachers. But we think it is the general scheme of construction which is in error and hope soon to see the weak points strengthened, useless timber removed and a course of study pursued which in some sort of way meets the requirements of the race. We cannot afford to send our boys and girls to school to be instructed in foppery, ginger breadism and a little bit of common sense.

THE ELECTION OF SENATOR HANNA.

The re-election of Hon. M. A. Hanna to the Senate is of more than ordinary significance. It stamps upon the times the necessity of abiding by the instructions of the people as well as the penalty of Iscariotism. The recalcitrants who leagued with the Democrats to defeat the will of the party majority have met with the sort of thrashing which is due them and from the effects of which they will not soon recover. McKisson, the ring leader will surely be snowed under at the next election while the rest will come in for their share of opprobrium.

We congratulate the party and Senator Hanna on their victory for straight republicanism. After all party loyalty is the only thing that wins.

JUDGE KIMBALL RENOMINATED.

President McKinley has seen fit to renominate Hon. I. G. Kimball, Judge of the Police Court to succeed himself. THE BEE as well as others have opposed this reappointment and endeavored toconvince the President that the reappointment of Judge Kimball would be a mistake. We believed then as we do now that Judge Kimball's reapppointment is an unwise one and an imposition upon the people in this community. Personally we like Judge Kimball and believe him to be a man of honor, but as a Judge of the Police court he has not exercised that judicial mind that one would suppose from his six year's experience. Just how the President could make up his mind to reappoint Judge Kimball we are unable to state

THE BEE has opposed him and it did all in its power to defeat him but failed. We suppose it was the intention of the President to satisfy the temperance elements who are a set of religious cranks. Judge Kimball has made mistakes no one will attempt to deny, but to what extent no one knows but the lawyer who practices before him. One thing THE BEE will give Judge Kimball credit for he has made a bold fight and has never lost his temper nor has he abused any one who has opposed his reappointment. Now that he is reappointed he should be confirmed and so far as The BEE is concerned it used every honorable means to defeat him but failed and since it failed it will not oppose him any further.

The President we suppose was made satisfied that Judge Kimball should be reappointed and he was reappointed, notwithstanding the opposition to him. Judge Kimball is a conscientious man, we believe, but his decsions in minor offenses have not been in conformity to law which we can show.

He is reappointed and since the President is satisfied, he ought to be confirmed. It is a mistake.

Among the many friends of the BEE we are proud to mention Mr. B. A. Allen, chief of the Recording Division of the Auditor for the P. O. D. In the conduct of his office, Mr. Allen shows marked ability, fairness and manliness. Toward the clerks of his office, without regard to race, color or religion, he has maintained a rule of absolute fairness. The colored clerks feel assured that they have in Mr. Allen a true friend. Messrs. Jackson and Richardson, two colored clerks in Mr. Allen's division are enthusiastic in their praise and our knowledge of the character of their cheif fully justifies it. We bespeak for Mr. Allen a successful administration.

OUR HIGH SCHOOL.

The BEE desires to call the attention of trustees Haines and Terrell of the High and Normal School Committee to the embarrased condition in which our teacher in physics is placed. We know that both trustees are alive to the interest of our schools and will be willing to do all in their power to remedy any evil that may effect the best interest of the school. Let these trustees reform our High School, since trustee Bruce failed to remove the obstacle. Let us have a reform in our schools.

JUDGE McCOMAS.

The fight of the Maryland Republicans against Hon. Louis E. McComas is unjust and cowardly. Judge McComas would be a fine representative in the Senate from the State of Maryland. We are confident that he is the choice of the people. We still hope that the outcome will be in Judge McComas favor.

It will be remembered that Ex-Senator Bruce in a published interview in THE BEE predicted the re-election of Senator Hanna.

Hon. John C. Dancy will be appointed in a few days.

PROF. GREENER GOES TO INDIA.

The President sent to the Senate Thursday the name of Prof Richard Theodore Greener, to be United States Consul at Bombay, India. Just as THE BEE predicted last weeks that the President has more plums for the negro.

WHAT I SAW AND HEARD.

The Ohio senatorial fight was the all absorbing topic this week. Senator Hanna showed himself to be a man of nerve and brilliant parts. No man has the confidence of the country more than Mr. Hanna.

Yes the lawyers have been discussing the judgeship this week. Judge Kimball has been quite anxious to know about himself, suppose he is now satisfied as the agony is over.

There is a great deal to be done in our public schools. I am of the opinion that the industrial department is in need of re-organization. The trustees are too slow.

Mr. Harry Cumings was in town this week on business. Harry is a jovial fellow and will no doubt make good Councilman.

Mrs Trustee Terrell returned to the city last week and gave a graphic description of her southern trip. She was royally entertained and her speeches were received with enthusiasm.

The civil service law will probably be modified. Indeed something had better be done.

The District Commissioners are very slow in making colored appointments. Not a colored republican has yet been appointed under the District government.

Register B. K. Bruce has gotten down to business. He has answered upwards of fully 5000 telegrams and letters of congratulations since his appointment. The BEE is satisfied that it made no mistake when it said that Mr. Bruce was the most popular man in the country. The President has made no mistake.

Commissioner J. W. Ross is well and hearty and is quite sure that matters will now go on smoothly.

At the end of the year there will be some important changes in our public schools. Our schools are very much in need of reorganization.

There seems to be kicking republicans all over the country. This is on account of the party being disorganized.

The present excise board is rather circumpect. It will some day find itself legislated out of office.

The colored attorney was the theme at the Congressional Lyceum last Sunday. President Martin should know that the custom and rule are that a presiding officer should leave his seat if he wants to discuss a paper or question. His speech was in bad taste from the chair.

Editor Cooper is still thinking about that 400 shortage in his salary that he had in his mind. Of course Editor Cooper should be satisfied.

The colored republicans in this city are beginning to recognize the fact that it is important for them to get together and ascertain what the trouble is:

Yes, we are to have a new central republican committee and Col M. M. Parker will be the delegate to go from this city to the next National Republican Convention if he wants it.

The Trustees of 19th Street Baptist church are an active set of young men. Messrs Peterson, Lewis Brown and others have fully demonstrated their executive ability.—ROUNDER.

The selection of Senation Hanna was predicted by the BEE several months ago.

DEATH TO TRAITORS.

"Conscience lie still, more lives must yet be drained, crowns got with blood must be by blood maintained."—Hanna to Kurtz.

JUDGE SCOTT CONFIRMED.

The confirmation of Judge Scott on Tuesday by the Senate showed that he was the choice of the people, Since he has been on the bench he has become popular and there is no doubt but that he will give entire satisfaction to the people, THE BEE doesn't believe in sentiment, that is to say, if a person is guilty of an offense he should be convicted. The convictions under Judge Scott, thus far have been tempered with mercy and justice. The President has made no mistake in his appointment.

THE BEE's prediction is always correct.

SENATOR HANNA ELECTED HE DEFEATS THE COMBINATION.

Columbus, O., Jan. 12th.,

Marcus A. Hanna was elected to succeed himself for both the long and short terms as United States Senator today. A joint ballot of the legislature gave him 73 votes to 70 for Robert E. McKisson, of Cleveland. and one for John J. Lentz, of Columbus. The general assembly met in joint session at 12 o'clock with all present but Represntative Creamer, who was ill.

Lieut. Gov Jones presided and immediatly announced that a vote would be taken to elect a United States Senator for the short term. Senator Marcus A. Hanna wasn ominated by Senator Garfield, who made a brilliant speech. The name of Robert E. McKisson, mayor of Cleveland, was presented by Senator Burke, an anti- Hanna Republican. He said there was no gap which could be filled alone by one man.

Representative Roberts, of Cleveland, seconded Hanna's nomination and Representative Bramley, also of Cleveland, stood sponsor for McKisson. The vote was taken and resulted: Hanna, 73 McKisson, 70 and Congress man Lentz of Columbus, 1. The ballot for the long term resulted as did the former Mr. Hanna had just the requisite number of votes for election. There are 145 members in both houses and 73 is a bare majority. Had representative Craemer, been present and the vote for Lentz been given to McKisson, the result would have been the same.

There is great rejoicing among the friends of Senator Hanna over the result of the long and hard battle. The Republicans who voted against Hanna are Senator Burke, Representatives Bramley, Scott, Rutan, Jones and Otis, and Speaker Mason. In the senate today Senator Burke, of Cuyahoga, rose to a question of personal privilege and introduced a resolution providing for an investigation of all bribery charges and espcially that $1,750 was offered for a vote for M. A. Hanna. The resolution provides for Burke, Fincke, Long, Garfield, and Robertson as the committee on investigation.

Alexander offered an amendment that the investigation include members of the senate who have betrayed their political trust. This was lost, 19 to 17. Garfield gave notice that he would absolutely decline to serve on the committee. He said there was no member of the senate but wanted an investigation, but the committee named had already prejudiced the case. Lieutenant Governer Jones said he had no power to excuse Garfield. Senator Warren said the language of the resolution would unbench a judge because the resolution prejudiced the case. He appeald to the honor of members of the other side.

He said we shall court an investigation and show that the bribery charge is a mere political trick to steal from the people that which they have decided upon. Any member who would serve on the committee under the resolution would stultify himself. Senator Burke, said he would withdraw from the committee in favor of Senator Sullivan.

A BLACK SKIN REMOVER.

This preparation will turn dark skin four or five shades lighter. It removes wrinkles and freckels from the face and makes the skin beautiful. Any person using it can see the result in forty eight hours. It does not turn the skin in spots but bleaches out white. It is a very good thing for weak eyes if allowed to go in while washing the face. The skin remains beautiful without continual use and is perfectly harmless to the skin. Price $2. C. O. D.

THE CIVIL SERVICE.

Congress has been discussing the civil service for some time and concluded, no doubt, to do nothing in the premises. The President will no doubt modify the order to enable deserving republicans to get a slice of the pie.

TRACY L. JEFFORDS.

Among the many deserving republicans in this city Mr. Tracy L. Jeffords is deserving of recognition and entitled to consideration at the hands of this administration. Mr. Jeffords is an active republican and a man of ability.

WILL CELEBRATE JUDGE KIMBALL'S

appointment? Remarked the DEMOCRATIC BAILIFF DARR, IN THE POLICE COURT. The democratic bailiff, or deiputy marshal Darr, of the Police Court, in conversation with a colored attorney on Wednesday said that the officials in the Police Court would on the 10th day of this month celebrate the victory of Judge I. G. Kimball's reappointment over THE BEE. Yes THE BEE has opposed Judge Kimball's reappointment it is still opposed to his reappointment as Judge of the Police Court. The BEE has no favors to ask Judge Kimball, or his democratic bailiff. Mr. Darr, will have an occasion no doubt, to attend his own political funeral after the confirmatin of the new marshal. Chickens often come home to roost.

The threatened dissolution of the first and second grades at Randall night school has been entirely prevented by the change of teachers.

Miss Anderson has so won the hearts of her pupils by her untiring patience and zeal that nothing else can be heard of the change but the highest praise.

The third grade teachers at Randall have lost all hopes of whole-day schools this term. This is to be regreted as they are both model schools. It may be necessary to have half-days for the third grades at the Anthony Bowen to relieve the first grades.

Providence Baptist church has extended a call to Rev. Chas. S. Morris. The installation is booked for February. Rev. Morris has started a series of meetings and extends a hearty welcome to all.

The number of day school scholars who are compelled to stop school in the primary grades is very apparent to the night school teachers. The saddest of all sights is that of the older persons struggling to acquire the alphabet and a limited knowledge of figures.

BEAUTY'S TRIUMPH.

Written for the BEE.
By Irene Ackerman.

I often think in after years
The beauty in her pride looks on
And laughs to see what joys, and fears
Are open by her laugh and frown.

Sweetly will her thoughts turn back.
To the first vows of her love she heard,
And dwelling o'er life's faded tracks,
Thinks of each look, each sigh or word

Empty sounds each faltering phrase
The thought so true, so loving then,
The happiness of love's first vow,
In life can never come again.

OUR SCHOOLS.

THE BUSINESS TRANSACTED—THE HIGH AND NORMAL SCHOOLS.

The Board of school trustees met in the Franklin building on last Tuesday evening. There was nothing done except Mr. Barnard moved to constitute the entire Board a committee on High and Normal schools. It is a very good move and it is hoped that Mr. Barnard will do something to improve the condition of the colored High and Normal schools, since the colored trustees do not seem inclined to make any reforms. It was after 5 o'clock when President Whelpley called the board to order, and directed that the Secretary, Mr. J. G. Falck, call the roll. There were present the following: Messrs. Barnard, Hazen, Mrs. Tulloch, Mr. Brown, Mrs. Terrell, Dr. Richardson, Gen. Geo. H. Harries, and the newly appointed colored member, Thomas M, Wright. Secretary Falck read from the District Commissioners a communication announcing the acceptance of the resignation of Mr. B. K. Bruce from the board and the appointment in his stead of Mr. Wright.

Some routine business was then disposed of. The resignation of Miss M. F. Harmon, as a teacher in the public schools, was accepted. Mrs. Helen M. Hayes, now in Germany, was granted an extension of three months on her leave of absence. Mr. Philip Gerry, a teacher, was granted leave of absence to pursue a course of English at the Catholic University. In the fourth division, L. M. Tweedale was was promoted as a teacher from the second to third grade and from $475 per annum to $550, vice M. A. Mack, reduced at her own request from third to second grade. The resignation of Miss Burchard, teacher of German in the Eastern High School, was accepted, and Miss Cook was appointed to fill the vacancy.

Mr. Barnard moved that the committee on high and Normal schools be composed of the entire membership of the board; that it be a committee of the whole to act on all matters pertaining to these schools President Whepley stated that as the chairman of the committee, Mr. Wilson, was not present, he was of the opinion that it would be better to act on the matter with a full board. Mr. Brown thought it advisable to let the important matter wait over for a month. The motion was put and unanimously carried.

Trustee Wright was appointed to fill the vacancies on the following committees: Rules, buildings, repairs, text books, and studies. The question of the advisability of changing the hour of meeting from 4:30 o'clock in the afternoon to some time during the evening was brought up, but no action taken.

Trustee Harries came in late. He is about the busiest man in town. His eyes demonstrated business the moment he entered, but not even did he have anything to suggest. It was remarkable that not even Gen'l. Harries was lost for something to suggest.

ALEXANDRIA NEWS.

Wm. A. Carter, Agent and Correspondent of WASHINGTON BEE.
627 South Asaph St.
(All orders for advertisements, job printing, or news notes will be carefully attended to, if sent to the above address.)

The Sham Chapel Sunday School at the John Hay School is in a flourishing condition and has among its visitors the leading citizens. Dr. Stewart of Washington, D. C. and Mr. W. E. Johnson made some very appropriate remarks last Sunday afternoon.

The Florence Crittenton Mission of this city justly deserves the credit of the promoters and its prime movers. This week is a week of prayer at the mission. Hundreds of prodigals have returned.

Rev. R. B. Robinson left for New York this week and will be absent for several days.

The Washington Annual Conference is near and there is much talk of the probable return of the present minister at Robert's Chapel, this city, Rev. W. H. Gains, who is the choice of the people, irrespective of creed or color. Rev. Gains is undoubtedly a good man and has certainly done much to put the chapel services on a higher plane than that of any one who has heretofore filled the pulpit of that Methodist Church and it is earnestly hoped that he will be returned here for another year at least, as his re-appointment here means that the leading church congregation of this old historical city will be favorable to thanking Bishop Andrews with a rising vote and his reappointment means our Gains.

Mr. W. E. Johnson, our leading evangelist has returned home after an extended tour through the states of New York and New Jersey, and during his tour he did great work among thousands who make up the great army of fallen men and women and to say he is the Sankey of the race is only a moderate expression.

The larges' delegation of colored citizens ever to call upon a Congressman called on Hon. J. F. Rixey, Monday in the interest of war claims. The delegation was headed by William A. Carter, Alexandria correspondent of the BEE.

Mr. Charles N. Crittenton, the International evangelist, Mrs. Kate Waller Barrett, the National Superintendent of the Florence Crittenton Mission, Mr. E. J. Webster, and Rev. N. Scott, were among the prominent ones who took part in the Mission Service Wednesday evening. Mr. Crittenton is a christian worker in every sense of the word and to say that he is absolutely without a rival in the work of lifting fallen humanity, is only a very moderate expression.

Mr. Parris Simms, an old and respected citizen of this citylies in a very critical condition at his home here. Mr. Simms is being cared for by his friends of Robert's Chapel M. E. Church; Harmony Lodge No. 818 G. U. O. of O. F, and Gerdenia Household of Ruth, all of which he is a member and also many friends and admirers of this distinguished citizen.

Prof. James M. Buckner, has resigned the leadership of the 1st. Baptist Church Choir. He will probably be succeeded by Mr. Jesse Madden, the assistant leader.

It is reported here that Hon. John A. Seaton is critically ill at his Fauquier home.

Mrs. Jennie R. Taylor formerly of this city, presented her husband with a fine daughter at their palatial residence 61st. Street and 12th. Avenue West Brooklyn N. Y., December 26th, 1897. Mr. James Taylor, who is also a former citizen of Alexandria is a very prominent society leader in Greater New York.

Mrs. Eliza Johnson, an old and respected citizen of Alexandria, died at her home in this city Tuesday night.

The W. B. Allison Campaign Club of Virginia will celebrate the birthday of Thomas Jefferson.

The colored Relief Committee is at work.

Mr. Willis Madden, of Washington, D. C., was in the City Sunday.

The leading people of the 1st. Baptist Church paid a fraternal visit to Excelsior Club Sunday night at Robert's Chapel and gave them a handsome collection for the new pews.

Mrs. I N. Tancil and children are domiciled at the residence of Mrs. Clayton, Roslyn, Va.

Two New Year,s stories "Twelfth Night" by Martha McCulloch Williams, and "On the Tick of the Clock" by Clinton Ross, open the New Year's number of THE AMERICAN QUEEN. Barry Pain, in his Robin Hood series, gives a delightful story of "The Wandering Minstrel" or how Allen o' the Dale secured his lady love on the eve of her marriage to an old and cruel Baron. Edward S. Ellis's "Jungle Fugitives" is continued and holds the interest of the reader. "American Princesses" interesting sketches, with illustrations, of the beautiful young American women who have married into the royal families of Europe, is contributed by Mary C. Easton.

"Women and Their Work" a new department beginning in this issue of THE QUEEN, is of special interest to women wage-earners. This department is edited by Helen C. Candee. Margurerite Merington writes on "Americanism and the English Language" Under "Furnishing the Home" Marion Lang gives good illustrations of artistic parlors and reception rooms. Lafayette McLaws writes of "The Complexion and its preservation." "The Embroidery Department" by Virginia Mitchell, is good, timely and practical. "Fashion Notes," which are contributed by Kate Dunham, one of New York's leading fashion writers, are exceptionally good and timely. "THE QUEEN'S Lacemaker" will appeal to lovers of fancy work. "The Cooking school and Advice to Housekeepers" is a department always appreciated by lovers of the home and a good table, and no better authority is to be had than its editor, Mrs. Gesine Lemcke.

CHARLES SUMNER.

HON. JOHN P. GREEN BEFORE THE BETHEL LITERARY.

Ex-State Senator John P. Green, of Ohio, addressed the Bethel Literary on last Tuesday evening and his theme was Charles Sumner. The audience was large and distinguished. Consisting of some of the best brains in this country. Mr. Green was faultlessly attired in evening dress and when he was introduced by the president, Prof. Hershaw, the speaker was enthusiastically applauded. He reviewed the life and character of Charles Sumner and showed by his logic and development of facts that he was the master of the situation. He was eloquent and statesmanlike, and the applause he received from the distinguished audience present was an evidence that Mr. Green was pleasing his hearers.

Prof. R. T. Greener was called for and paid a handsome tribute to the speaker and his paper.

Mr. Green is an easy and pleasing speaker. He is one of the few public men who is not at all egotistical. He is unassuming and gentlemanly which make him powerful when he is in a debate with his antagonists.

COLORED WAITERS.

TWO PROMINENT CATERERS WANT TO DISCRIMINATE AGAINST THEM—TO ORGANIZE AGAINST THE SONS OF TOIL.

In two of the uptown prominent catering establishments kept by white men there are posted in conspicuous places in the dining room two cards, and among other things they read:—"Meeting this evening for the purpose of organizing a white waiters association. Members of Congress and white families who want their parties served, balls, receptions, etc., will please apply to Mr.——"

This association is for the purpose of discriminating against colored waiters.

A representative of THE BEE in speaking to the Colored Waiters Association said that a special meeting of the association will be called for the purpose of making war on these two white establishments who employ none but white waiters. This gentleman said that the Colored Waiters Association did not care if these houses did not employ colored waiters but they knew they had influence enough to keep their white employers from patronizing these two houses. There is to be war in Africa.

WHAT THE BEE WOULD LIKE TO SEE.

O'Donnell judge of the police court.

THE BEE WOULD LIKE TO KNOW.

If Bailiff Darr will celebrate Judge Kimball's appointment January 10.

If he was not a little too previous.

How the enemies of Dr. Richardson feel.

How you like Colonel Perkins on the Negro question.

If he is not as sound as a gold dollar.

If the Civil Service law will not be abolished.

If white cannot be made black sometimes.

How do you like Ohio's new Senator.

If Judge Kimball is now happy.

How many colored bailiffs will Marshal Palmer appoint.

IT IS RUMORED.

O'Donnell will be on top.

The President is satisfied with a good man.

Temperance cranks don't know it all.

Public Printer Palmer will appoint Republicans when he can.

OUR WOMEN.

DON'T put away shoes in a dirty condition; wipe them, dress them and store them in an airy closet.

DON'T place shoes against a heater after coming in from the rain.

DON'T were one pair of shoes steadly. Two pairs worn alternately will do the work of three pairs worn consecutively.

DON'T shut up an array of shoes in an air-tight closet.

DON'T wear shoes that will not permit the great toe to lie in a straight line.

DON'T wear a shoe that is tight anywhere.

DON'T wear a shoe so large that it slips at the heel.

DON'T wear a shoe with a sole narrower than the outline of the foot traced with a pencil drawn close under the rounding edge.

DON'T wear the top of a boot tight, as it interferes with the action of the calf-muscles, makes one walk awkwardly and causes the ankles to swell.

DON'T fail to wipe shoes with soft dressing at least once or twice a week.

DON'T wear a shoe that has commenced to run over. Have the shoe straightened at once and finished on the worn edge with a row of tiny nails.

DON'T economize on footwear; a good shoe is the cheapest shoe.—*From "An Emphatic Word About Shoes" in Demorest's Family Magazine for January.*

GENERAL HARRIES.

Birgadier-General Geo. H. Harries will address the Men's Guild of St. Luke's church on, the "Work of the Negro Press," Thursday evening Jan. 19th at 8 p. m.

Gen. Harries, it will be remembered has devoted the greater part of his life to newspaper work, and in this particular field, he has taken a lively interest in the growth of the colored people as he has in all affairs pertaining to their rise and progress. His attitude toward the colored people as trustee of public schools, as secretary of the board of trade and his generous treatment of the colored National guardsmen make him the one Anglo-Saxon, who can treat this important subject without prejudice in the slightest degree.

Light refreshments will be served at the conclusion of the address, to which the public are cordially invited.

WOMEN ARE DEVELOPING A SENSE OF HUMOR.

When a prominent dramatic critic was asked a few years ago, why women failed as playwriters, he replied: Because they have no sense of humor—an essential quality for a playwright. Women are witty often, brilliant occasionally, but rarely subtly, quietly humorous". "The criticism is, or rather was, perfectly just," is the verdict of Miss Mary Stone, one of the best known of modern women dramatists, "but we have changed all that at this last end of the century, and the most marked characteristic of the coming woman, who has already arrived, is a fully developed sense of humor."

The success of women playwrights in the past two years has been something phenomenal. Take for instance this last fall; the theatrical season was no sooner under way in New York, than it became a matter of general comment that the three best drawing plays on the stage were by women, women who were comparatively, if not actually, unknown three years ago. Crane's greatest recent successes have been from the pen of a woman, Martha Morton; Nat Goodwin will include in his repertoire this winter three plays by one woman, Mrs. Madeline Lucette Ryley; while, to hark back to the season of '95-'96, the financial success of the year, both in New York and on the road was "The Bowery Girl" by Ada Lee Bascom, of San Francisco.—*From "The Woman Dramatist and Her Success" in Demorest's Family Magazine for January.*

SECRET ORDERS.

MASONS HIGHLY HONORED.

The proudest man in Newark was Henry F. Phillips who has grown gray in the advocacy of Free-masonry. Mr. Phillips has been honored to almost every extent that a Mason could be honored, but recently he was further honored by seeing his five sons simultaneously raised to the degree of master Mason's. It was the first in history of the order that five brothers has been raised at one time and therefore, Masons say Mr. Phillipps has good cause to feel proud. The ceremony tock place in the rooms of the Northern Lodge, and was conducted by Worshipful Master Henry M. Doremus. The five brothers are: William, aged 23, Robert, 28, Fred. A., 30, Everett I., 34, Henry A., 36 years. The elder Phillips is a 32° Mason and Past High Priest of Corinthian Chapter. He is seventy-five years old and has been a Mason forty-eight years.

From the Chicago Sun.

Honors came to Lawyer John G. Jones of Chicago, Illinois, when he himself did not know it or expect it. Mr. Charles H. Koith, a resident of Chicago for many years died December 10th, 1897, and at his heath he left a large estate to be divided among his relatives and several educational, religious and benevolent institutions. Over three years ago Mr. Keith made his Will and having implicit confidence in the ability and integrity of Mr. Jones, he named and designated him as executor to carry out the provision of his will, he having made his will o r three years ago and during all th time he never made it known to Mr Jones or anybody else about the matter until just one hour before his death.

Last week, December 15th 1897, in the Circuit Court of Cook county, Mr. John G. Jones was appointed Receiver of the estate of the late Daniel Scott of Chicago. Mr. Scott is a colored man and died about a year ago and estimated to be worth $150,000. Mr. Jones gave bond and took the oath of office as Receiver December 15th, 1897, and in both of these responsible positions Mr. Jones will prove himself the right man in the right place for he has held many positions of honor and trust in this city. Mr. Jones is a very prominent Mason, being the Grand Commander of A. A. S. R., Mystic Shrine, Royal and Select Masters and the Sovereign college of Allied Masonic Degrees for North America.

Recently the Illustrous Robert J. Fletcher 33° of Sacramento, Cal., instituted at Fort Assimboine, Montana. Alpha Court Daughters of the Sphynx with the following officers viz: Mrs. Lucy E. The Order of the Sphynx is for the benefit and protection of the mothers, sisters, daughters, wives and widows of Master Masons' It is doing much good for the fraternity, all over the country. $100 REWARD $100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patent strength by building up the constitution and assisting nature in doing its work, The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
